

WEEKLY NEWSLETTER

FRIDAY 9TH FEBRUARY 2024

Dear Parents and Carers,

I hope this newsletter finds you well and ready for a well-deserved weekend and for the half-term break. As we reflect on the past week at Higham Lane School, I would like to share some important updates and celebrate the achievements of our students.

Safer Internet Day - A Heartfelt Thank You!

On the 6th of February, we commemorated Safer Internet Day, focusing on fostering awareness about online safety. A sincere thank you to all the students who actively participated in the various activities throughout the day. Their engagement and commitment to creating a safer online environment was a joy to see. I would also like to extend my gratitude to our dedicated staff who worked tirelessly to put together valuable resources for the day. Their hard work ensures that our students receive comprehensive education on the potential dangers associated with mobile phones and other technologies.

CPSHE Programme - Keeping Our Students Safe Online

In light of the ever-evolving digital landscape, we emphasise the importance of online safety. Our comprehensive Citizenship, Personal, Social, Health, and Education (CPSHE) programme is designed to empower students with the knowledge and skills needed to navigate the online world responsibly. If you have any concerns regarding your child's internet usage, please do not hesitate to contact the school and we would be very happy to support and advise as appropriate.

Student Achievements - Logan and Lily Shine!

A huge congratulations to Logan and Lily in Year 7 for going above and beyond, producing exceptional artwork. Their dedication and talent are truly inspiring, and we are proud to showcase their achievements.

Year 11 Trial Exams - Thank You for Wonderful Behaviour!

I want to express my appreciation to the Year 11 students for their exemplary behaviour during the recent trial exams. Their focus and commitment to their studies are commendable. We eagerly await the results, which will not only highlight areas for further revision but also serve as a testament to their hard work.

Lily and Logan with Mr Gannon and Mr Johnson

Easter Revision Classes for Year 11 - Sign Up Now!

Parents of Year 11 students, please be reminded to sign up for the Easter revision classes. Spaces are limited and allocated on a first-come, first-served basis. We are here to support your child's academic journey, and these revision classes are an excellent opportunity to enhance their preparation.

Sixth Form Diversity Day Success

Thank you to all who contributed to the success of the Sixth Form Diversity Day. It was heartening to witness students from diverse backgrounds working together, strengthening the bonds within the Higham Lane School community. A huge thank you to all of the Sixth Form team and the student leaders for setting up this wonderful event.

Upcoming Events and Half-Term Break

We wish our students embarking on the school ski trip to the USA a safe and enjoyable experience. We eagerly await pictures and stories upon your return.

As a reminder, next week is half-term, and we look forward to welcoming students back on Monday, the 19th of February. Wishing you all a wonderful weekend and half-term break.

Thank you for your continued support.
